Ringer	Points
Total =	

Match points = Add the number of won games, each win is equal to 1 match point, then add 1 more bonus match point to the team with the highest total game points.
 Example: 2 games won and the highest game point total = 2 match points +1 bonus point = 3 in the match point box (if you won all 3 games you would put a 4 in the match point box (3 wins = 3 points +1 bonus point=4)
